Dear Parents and Carers,

Re. Free Little Library

As you may know as a school we are really focused on improving reading. My thanks to all the parents and carers who are listening to their child(ren) read each evening and recording this in their Reading Records.

In the entrance halls at the KS1 and KS2 ends of the building you will find a bookcase of children's books. If you have a children's book at home and you have finished it please feel free to swap it with one of ours! We hope this will mean your child(ren) will have access to even more reading books at zero cost!

We look forward to seeing you!

Kind Regards,

Mr. J. Wiltshire
Headteacher
