

# Weston Park Home Learning Overview: Autumn Term 1

Year: 1

Class: 1T and 1R

Date: September 18<sup>th</sup>-October 24<sup>th</sup>

## Reading

This half term we would like your child to read at least five times per week as we set off on this new academic year. We recognise that not all children will read whole texts and that some children may want stories to be read to them. Your child may also be particularly interested in one type of book/ magazine. Below are examples of what can be used and counted towards your 5 times per week read.

- Child using their phonics to read book/ a few pages per evening.
- Parent/ Career to read a story to the child- asking questions about what happened during the text.
- Reading comics or magazines.
- Reading tricky words that are listed below.

Please sign your child's reading record once they have read and let us know what it was they have done. This will be celebrated in class.

This half term we would encourage your child to read any book by the following authors:

Martin Waddell

Julia Donaldson

Jill Murphy

Oliver Jeffers

Eric Carl

Some of these stories can also be found on Youtube

## Reading and spelling of tricky words

Below are the focus tricky words that we will be learning throughout the half term. The children will be expected to read and write these. We will not be testing the children but hope, that once they have learnt them, they will be able to apply them within their writing.

the	I	he
no	into	we
go	you	she
a	they	me
be	her	was

## Maths challenge

This half term we will be doing lots of work on counting.

We would like you to practice counting to and back from 100 with your children.

Make it more fun by counting, how many steps it takes to get to school?

How many steps down from the flat/ upstairs?

How many steps does it take to go all around the garden/ park?

We would also like the children to practice their number formation ensuring that all the numbers are the correct way.

## Home Learning creative Project

This half term we are focusing on proud to be me. We would like your child to complete a home learning project that captures the things that make them unique.

**This could be family photos, a picture of their favourite toy, any siblings or anything traditions you may take part in as a family.**
