Dear Parents and Carers,

## Re. Update/Survey

On behalf of all the staff I would like to thank you once again for your positivity during these really difficult times. We have seen huge engagement on Seesaw with some fantastic work. We are so proud of your children.

We have focused on resilience and independence this half term and we could not be more thrilled with the children's mature handling of this very difficult situation.

The nominations from parents and carers for the Independence Award were a particular highlight for me this half term. Thank you for taking the time to nominate your children and tell us of their development of key life skills.

I must, once again, thank the staff who are balancing delivery of the National Curriculum in school for children who are 'vulnerable' or whose parent/carers are critical workers as well as posting and marking work online via Seesaw. This is not easy particularly when staff have their own family care responsibilities.

Our school is not open over half term and we have an INSET day coming up on Monday 8 March when the school will be closed to all the children.

We know that this has been the most challenging of times for all parents and carers while the school has not been allowed to fully open to all of our children. We are full of admiration for all that you have done and continue to do to support your children.

We would be most grateful if you would take a minute to complete this short online survey: <https://forms.gle/77G2WQAPzrSQ2oFC6>

We wish you a peaceful half term break and will look forward to working with your children once again on Monday 22 February.

Yours sincerely,
